The Florida Inclusion Network

Our Mission: The Florida Inclusion Network (FIN) collaborates with all districts and schools to provide customized services and supports ensuring all students with disabilities have the same educational, social, and future opportunities as their peers.

The Florida Inclusion Network at Florida State University is a project funded by the Florida Department of Education, K-12 Public Schools, Bureau of Exceptional Education and Student Services, through federal assistance under the Individuals with Disabilities Education Act (IDEA), Part B.

Check out our website to see all of the resources that FIN has to offer:
