

Florida Inclusion Network

Our Mission:

The Florida Inclusion Network (FIN) collaborates with all districts and schools to provide customized services and supports ensuring all students with disabilities have the same educational, social, and future opportunities as their peers.

District- and School-Based Planning, Implementation, Capacity Building and Supports

- Data analysis (e.g., educational environments, district data)
- Best Practices for Inclusive Education (BPIE) Assessment: District and School
- District-wide planning and problem-solving
- Professional learning opportunities:
 - Collaborative Teaching Partnerships (meets requirements of section 1003.03, Florida Statutes, F.S.)
 - What is Specially Designed Instruction?
 - Supporting Students with the Most Significant Cognitive Disabilities Using In-Class Supports
 - Myths and Facts of Supporting Students with Disabilities in the Least Restrictive Environment
 - Strategies for Supporting Students with Disabilities Using In-Class Models of Support
 - Paraprofessional sessions
 - Peers as Partners in Learning
- Scheduling for Supporting Students with Disabilities
- Coaching and mentoring
- Cadre-building and trainer training
- Technical assistance and consultation
- Leadership team planning and problem-solving
- Alignment with a framework for Multi-tiered Systems of Support
- Support for Best Practices for Including Students with Disabilities

www.FloridaInclusionNetwork.com

The Florida Inclusion Network is an Individuals with Disabilities Education Act (IDEA) funded state project by Florida Department of Education, Division of K-12 Public Schools, Bureau of Exceptional Education and Student Services.
